

San Diego's Ronald Reitz named as First Vice President of the National Association of Public Insurance Adjusters

San Diego, CA, July 7, 2011 - Ronald R. Reitz, Certified Professional Public Adjuster and President of San Diego's Quality Claims Management, was elected First Vice President of NAPIA, the National Association of Public Insurance Adjusters (www.napia.com).

At the June 2011 Annual Meeting, NAPIA elected new leadership for the upcoming year. Mr. Reitz was selected to help guide the association toward its goal of promoting the highest standards of professional education, conduct and ethics in the field of public insurance adjusting.

"This is a great honor for me to help NAPIA move forward," said Mr. Reitz. "There are a lot of challenges facing our industry, as well as the goal of expanding NAPIA's recognition nationwide as a leading resource for recovery assistance for disaster victims."

According to Raymond A. Altieri, Jr., incoming president of NAPIA, "Ron is a strong member of our executive team. He knows how the industry works, he understands where we need to improve, and he is an outstanding communicator with exceptional knowledge of the issues that impact us as Public Adjusters, as well as the issues that are of critical importance to government regulators, insurance companies and their insureds."

Currently President of Quality Claims Management in San Diego, CA, one of the nation's most respected Public Adjusting firms, Mr. Reitz is recognized as a leading expert on hazard claims. In addition to publishing numerous articles regarding public adjusting, homeowners insurance, and disaster victim's rights, he also provides guidance to many in the media who report on these subjects.

Mr. Reitz has helped a wide range of disaster victims, both homeowners and businesses. He has managed insurance recovery efforts for victims of the 2003 and 2007 Southern California wildfires, as well as victims of Hurricanes Katrina, Rita and Wilma.

Mr. Reitz serves on many industry panels, and provides consulting and training services industry-wide. He pioneered the National Hazard Insurance Claims business of GMAC-RFC (now GMAC-ResCap). Mr. Reitz left GMAC-ResCap in January 2007 after ten years of managing the Insurance Services group. He is a past President of the California Association of Public Insurance Adjusters (CAPIA) (NAPIA) www.napia.com
