

## **Quality Claims Management Corporation Names Robert Hopson as VP of Strategic Initiatives**

November 12, 2009, San Diego, CA – Quality Claims Management Corp. San Diego's most respected public insurance adjuster, today announced that Robert Hopson has been selected as their new VP of Strategic Initiatives.

"Rob is a servicing veteran with more than 20 years experience," said Ron Reitz, President of Quality Claims. "He brings expertise to QCMC in the areas of property preservation and default administration. He will be focusing on developing strategic partnerships as QCMC expands its footprint into new and expanded business lines."

"I am very proud to join Ron and his wonderful team at Quality Claims," commented Rob Hopson. "Outgoing, friendly and extremely professional, it is quite an honor to be brought into this quickly growing, dynamic organization."

### **About Quality Claims Management**

Quality Claims Management Corporation provides hazard claim recovery services to investors, mortgage servicers, homeowners and businesses. All claims are adjusted by licensed insurance professionals for an equitable settlement and accelerated resolution timelines.

QCMC's core focus is unparalleled expertise in policy coverage and the technical aspects of mortgagee and homeowner claims. QCMC has worked with homeowners and businesses including those affected by catastrophic natural disasters such as the 2003 and 2007 Southern California Wildfires, and Hurricanes Katrina, Rita and Wilma.
